

Senior Girltopia Ambassador Your Voice, Your World: The Power of Advocacy Take Action Project Samples: Generation to Generation

Project 1

Senior Advocates—*work on behalf of seniors* **Project 2** Senior Center Aid—*provide assistance to a senior center*

Project 1: Senior Advocates

Map It:

- 1. Survey the community to find out public opinion on seniors' involvement and contribution to the community.
- 2. Survey seniors in the community to find out how they are connected to the community.

Plan It:

1. Learn about seniors in the Northeast Florida community from sources such as ElderSource: myeldersource.org

Do It:

- 1. Start a community history project and record elder members' stories of the community.
- 2. Invite seniors to give presentations or teach a skill at school, community center or meeting.
- 3. Start a Safety First campaign with seniors. This may include installing locks, smoke alarms and carbon monoxide detectors in homes or committing to keeping sidewalks free of ice.

Think About It:

- 1. Record stories from people involved. Donate tapes to the library.
- 2. Make a personal list of the challenges faced during the project.

Advocate It:

1. Start a buddy system. Link fellow students from school with seniors to perform tasks for each other.

Project 2: Senior Center Aid

Map It:

- 1. Source out a list of local senior centers.
- 2. Call the local senior centers and talk to the volunteer coordinator or director to find out their needs for assistance.

Plan It:

1. Receive training from the senior center.

Do It:

- 1. Provide administrative assistance for the senior center staff.
- 2. Teach a special workshop or provide entertainment such as a film, games or a performance for the residents.
- 3. Cook and deliver meals for a local Meals on Wheels program.
- 4. Do simple chores and errands for residents such as shopping or typing a letter.
- 5. Visit residents one-on-one.
- 6. Help with repairs or maintenance for the center.

Think About It:

- 1. Write a play based on the project experience. Perform it for the residents and staff.
- 2. Create a collage of photos taken during the project experience.
- 3. Write a poem based on the experience. Try to get it published.

Advocate It:

1. Start a community chore corps to do yard work and other maintenance chores for and with seniors.
